ENCOURAGING WORDS COME FOR SCHUCK

Kind as well as encouraging words come from our neighboring city on behalf of our local candidate for Assembly Hon. C. L. Schuck who aspires to win the Republican nomination in the Second district of Westmoreland county. Much interest is being taken in Mr. Schuck's campaign this year on account of his fitness for the office as well as his promised activity along the line of good roads legislation.

Mr. Schuck was one of the regular Republican nominees two years ago but went down to defeat with the victory of the Keystone movement in the county and state. People who supported this movement have nearly all gone back to the old parties and there is every indication that the principles of the two old parties will be adhered to and this will mean that if Mr. Schuck is successful in being named as one of the three nominees he will be elected in the fall and every little boost is appreciated not only by the candidate himself but also by the people of his home town. The article from the Mail follows:

"The Mail is always pleased to see newspaper men become candidates for office particularily for Assembly because they are capable, and it is especially pleased to note that Editor Carey L. Schuck of the Monessen News, has announced for Assembly from the Second district of Westmoreland county. While he hails from another county the interests of his district are so closely allied with this sect on of Washington county, that what benefits one would also benefit the other. For that reason Mr. Schuck would be a valuable ally to our own representatives.

Mr. Schuck has had experience as a Legislator, having served two previous terms in the Assembly. He was a member during the special session called by Governor Pennypacker, which gave us the uniform primary law, the corrupt practices law and other legislation which was more valuable in a constructive way than any previous legislation for many years. Mr. Schuck was in hearty accord with all these progressive measures, all of which commanded his support and vote. He is conversant with the needs of this section of the State, and his broad, liberal and intelligent grasp of public affairs makes him a particularly fit candidate. Should he be nominated and elected, he could invariably be counted upon to support all constructive legislation which would benefit Washington and all the surrounding counties as well as his town."

ALL OLD APPLICANTS WIN IN MONESSEN

Judges Doty and McConnell handed down the license list this morning. All the old applicants in Monessen were granted the privilege for another year but no new ones. There were three additional applicants but all were refused. The transfer at the Duquesne hotel was made and on May first. August Karlowsky will retire from business and Frank Myford will take charge. The town has fourteen hotels with the Victoria just outside the limits making fifteen.

SEARCH BEING MADE FOR A MISSING LAD

The parents of Kenneth Rowe, a young lad about 15 years of age whose home is in Duquesne, have appealed to the Donora police and have sent word to many of the towns along the upper valley in their efforts to locate the lad who has been missing for over a month.

When last seen he was alighting from a train at the Donora station on the P. V. and C., and all efforts since to find some trace or locate him have proved fruitless. Coroner James T. Heffran of Washington county, has taken a hand in the case and is helping to prosecute the search. The boy is supposed to have changed his name as it is thought he was trying to secure work at some of the mills

Although only 15 years old, young Rowe is large for his age and would pass for a lad much older. When he left home he wore blue trousers, a blue sweater coat, an overcoat and a navy blue cap. Any informaion that would lead to the discovery of the boy would be greatly appreciated by his parents who may be reached 611 Viola avenue, Duquesne, Pa.

Festival of Days A Novel Event In Kelly's Hall

The Bazaar being held by the Presbyterian Ladies in Kelly's hall is one of the most unique affairs ever held in Monessen.

There are twelve beautiful booths, one for each month of the year, each one decorated typical of its season and carrying for sale a line of fine products generally used in each month.

Each booth is attended by a bevy of girls, gowned in white who add to the general attractiveness and merriment of the scene.

The doors will be open this afternoon at four o'clock. There is no admission fee and all are invited.

Supper will be served at five o'clock. A cordial welcome to all and a pleasant evening well spent is what we promise to our friends.

CALLS HER HUSBAND SOME PET NAMES

Alleging that her husband is a common drunkard, a cigarette fiend and a tramp and compels his mother to support him when he is not in jail on a charge of vagrancy or on some other charge, Mrs. Blanche Weber of Charleroi, has filed action for divorce against William Weber.

The couple were married at Point Marion in 1909 and after the first few months of wedded life were past, it is said, that the waters became a little ruffled and the two were not seen together often. He is said to have been residing recently in Charleroi where he did a few odd jobs occasionally during the time between his sentences. It is thought that the degree will be granted.

Joe DeStoll, aged 19 years, an Italian, died yesterday at the Monessen hospital after a short illness of pneumonia. His body is being prepared for burial at the morgue of G. F. Wright. Funeral services will be held tomorrow at St Leonard's church and interment will be made in Grandview.

The Curbstone Robber Again At Old Tricks

The curb stone thief is again abroad. Thursday evening between the hours of five and six o'clock some unknown party or parties stealthily slipped up in front of the Hollinder store on Schoonmaker avenue and stole a box of dry goods that had been deposited there after arriving from the freight station. No person seems to have seen the intruder and the box disappeared very suddenly as well as mysteriously. The police have been apprized of the loss and Chief Wheatley believes he can locate the parties. It has only been a short time since a gang of bad boys was dissolved. In their rounds about the town many petty crimes of this nature were committed but since their arrest and conviction there has been no trouble until a day or two ago.

DEATH CAUSED BY CIGARETTE SMOKING

Earnest Farrine, aged 38 years, a barber whose home is in Braddock, died yesterday on a farm across the river from here from the effects of smoking too many cigarettes, according to a report made by the physicians attending the case. Farrine is said to have smoked at least five boxes of the "pills" every day for the last ten years and this has had a serious effect upon his lungs.

Last Monday he was brought to Donora and from there taken to a farm near there where it was hoped he would be benefitted by the fresh air. He was seized by a weak spell on Thursday morning and never fully recovered, dying at an early hour yesterday. He is survived by a wife and four children, ranging in age from one to four years. His remains were taken to Braddock for interment.

ARREST MADE FOR DISORDERLY ACTIONS

Alek Knaaneara, aged 25 years, was arrested by Lieutenant Entinger and Constable McGloughlin at a house on Fourth street on a charge of disorderly conduct preferred by the parents of a young girl whose home he was endeavoring to enter at the time.

The officers, it is said, captured the man while he was in the act of crawling in a window amid the hysterical screams of the young girl. The man who is thought to be out of his mind is deeply infatuated with the girl, and has been bothering her with his attentions for some time past. He was examined as to his sanity while at the jail but the doctors called in, asserted that there was nothing wrong with the man as far as they could judge and he was later released.

He straightaway returned to the home of the girl and renewed his attentions. The mother of the girl, it is thought, will send her away from here in order to keep her out of Knaaneara's presence. The family are deeply incensed over the man's actions and are doing all in their power to stop his unwelcome attentions.

GOOD NEWS COMES TO THE COAL MINERS

Late last night the conference between the bituminous coal operators and the United Mine Workers of America ended with the announcement that there would be no strike in the bituminous coal fields of the country. The decision was reached only after an all-day session in which both sides participated eagerly in hopes of coming to some amicable agreement in order to avert a strike.

To John H. Walker, president of the Illinois mine workers, belongs the principal credit for the bringing about of the settlement for it was he who broke a seeming deadlock and suggested that the five per cent increase be accepted in order to keep the wives and children of the miners from starvation.

The first stoppage in coal production in the United States was taken yesterday when the union ordered 170,000 miners in the anthracite region to lay down their tools tomorrow at midnight. The suspension being ordered because the union demands for incessed pay was refused.

The news has brought cheer into the hearts of over 300,000 miners in the soft coal region and over 10,000 miners in the valley from McKeesport to Brownsville will be able to continue at work. It is thought that an even greater production of coal from the soft coal mines will be necessary because of this arrangement and it should prove a big boon to this section as it means that much more money will be in circulation for the merchant and the good of the town.

One of the Christian churches not far from Monessen has got, in Rev. I. G. Lansing, a minister who is either going to make his mark, or lose his church, for he preaches things that no church will stand unless it be a church that is full of the true spirit of Jesus. Listen: "It is a part of the religion of Christ to have pure milk, that every child may have a chance to live."

"It is a part of the religion of Christ that there shall be no overworked mothers, that they may have the health and strength to keep their children pure."

"It is a part of the religion of Christ that there shall be a decent wage, so that a girl will not be compelled to sell her body and soul to gain food and clothing."

"It is a part of the religion of Christ that there shall be a sense of justice so determined and vigilant that there shall be a demand for justice for others as well as for ourselves."

This is bringing Christ in to the daily lives of church-member legislators, lawyers, judges and employers in a realistic manner. It is sort of a tendency toward whipping the money-changers from the temple. Nowadays, the preacher who resorts to it either gets a large congregation and a reputation as a true disciple of Christ, or a notice that the tone of his utterances leads the financal supporters of his church to believe that his usefulness in that field is impaired. It is one thing to preach Christ and quite another to insist that those who profess to be His followers shall so live as not to betray that profession and crucify Him over again.

CHOLERA SCARE

Much anxiety has been felt lately over the danger of introducing the dreaded Asiatic Cholera into this country, because of the immigration from the plague districts of Europe.

It saps the strength of the body so fast that death often follows in a few hours. All forms of diarrhoea and dysentery are very weakening.

At Valdosta, Ga., a woman, Mrs. C. H. King, tells how she regained her strength. She says "An attack of dysentery left me so weak and exhausted that it seemed impossible to regain my strength. But since using one bottle of Vinol I am perfectly well again. Vinol will do wonders for anyone who needs new strength and more flesh."

There is no doubt at all that this delicious cod liver and iron remedy without oil possesses wonderful power to renew flagging strength and vitality, and build up the body. If you are not as strong as you ought to be you need Vinol, and we guarantee that it will build you up and make you strong. Hirsch Drug Co., Monessen, Pa.

GOOD WORDS FOR THE WELSH CHOIR

The Pittsburgh Gazette Times says the following concerning the Royal Welsh Ladies' choir which will appear here on Tuesday evening:

"A profound impression was made upon a large audience at the concert of the Royal Welsh Ladies' Choir of Cardiff in Carnegie Music Hall. Every number was encored and the members of the choir scored repeated successes. So impressive were the songs, that at the conclusion of the program, the audience was reluctant to leave the hall.

Soloists were compelled to respond to encores at each appearance. The program was a most difficult one and proved a triumph for the singers. Miss Alice M. Lewis sang, "My Ain Folk" and made a splendid impression as did the Misses Megan Harries, Beatrice Langford, Florence Dure, Mari Edmunds, Ida Owes, Mable Scott, Esther Wilkins and Edith Hooper.

The last selection of the program caused the audience to rise to their feet as one, "The Star-Spangled Banner." Madame Hughes Thomas, the conductor, was also applauded enthusiastically. She accompanied the soloists on the piano."

Seats were placed on sale this morning for this concert and may be had at the confectionery store of Mikalarias and Berbatis. The prices for the concert are 50c, 75c and $1.00.

THE SAVIOR'S TEACHINGS
BROOKLYN TABERNACLE
BIBLE STUDIES

"THE LIGHT OF THE WORLD."
Quarterly Review—March 31.
"The people which sat in darkness saw great light; and to them which sat in the region and shadow of death light is sprung up."—Matthew iv, 16.

IN the Bible symbols *light* stands as the representative of God, of Christ, of the Church, of Truth, which by and by as "the Sun of Righteousness shall arise with healing in its beams" for the cure of all the masses of the earth. It will scatter the darkness of sin, ignorance and superstition—the works of the Prince of Darkness, who will then "be bound for a thousand years that he may deceive the nations no more until the thousand years are finished." Of the heavenly Father we read "God is light, and in Him is no darkness at all."

Jesus said, "I am the light of the world." Of the Church in her present condition we read, "Let your light so shine before men that they may see your good works and glorify your Father which is in heaven." "Hide not your light under a bushel, but set it on a candlestick that it may give light unto all that are in the house." Nevertheless, "The darkness hateth the light, neither cometh to the light," and "the whole world lieth in the Wicked One"—in darkness.

"Thy word is a light to my path."

This thought pervades the Scriptures from first to last, namely, that for six thousand years, from the time of the entrance of sin to the second coming of Jesus, the world will be subject to a reign of sin and death—under a pall of darkness, ignorance, superstition, sin. The only ones who will see the path of righteousness distinctly will be those guided by the "lantern"—God's Word. They are represented as saying, "Thy word is a lamp to my feet and a lantern to my footsteps."

Our text tells of a better day sure to come. But never might we hope for the abolishment of darkness except in the way in which God has foretold it—through the establishment of Messiah's Kingdom—through the shining forth of the Sun of Righteousness—the Church in glory.—Matthew xiii. 43.

"Which Lighteth Every Man."

The Apostle declares that Jesus is the True Light which lighteth every man that cometh into the world. (John 1. 9.) The expression, "true light," implies that there are false or imitation lights, and of these we know that there are many—lights of heathendom and lights of Christendom. The only true light, however, is that which shone forth in our Savior's teachings and example. It has thus far enlightened only a few, a "little flock." These are urged to let their light shine before men that they may take knowledge that they have been with Jesus.

After eighteen centuries of the light battling with the darkness, and at times being almost quenched thereby, we might well ask, what hope is there that this prophecy will ever be fulfilled—that Jesus, as the Light of the world, will enlighten every man born into the world? The Bible answers that God will hasten this very matter in His own time; but before the world will be enlightened, a saintly class, the Church, the Bride of Christ, must be enlightened, and be completed.

Christendom's creed-lights confusing.

Then, and not until then, will the Savior and His Church in glory be the great Sun of Righteousness which will arise over the earth, and shine forth for the healing of the people, for the scattering of the darkness of sin, and the lies of error—the bringing of life, peace, joy and blessing to all who will accept the favor in harmony with the Divine requirements, but to utterly destroy the Night, and those who will still love darkness.

A Better Day Coming.

For a thousand years the glorious Sun of Righteousness (Christ and the Church, His Bride), will shine out. The work will be thorough and complete. Adam and his every child will be fully brought to a knowledge of the Truth, and will enjoy the blessed opportunity of coming back into harmony with God, by the restitution processes. Acts iii. 19-23.

Then our text will have most ample fulfilment—all mankind shall see the great Light which God has provided; even those "in the shadow of death" must come forth, that all may be enlightened by this "True Light which lighteth every man that cometh into the world." O, the happy day that is coming to our poor, sin-cursed earth! There shall be no more curse, thank God! Instead of the curse shall be the Divine blessing: "and every creature in heaven and on earth and under the earth shall be heard saying, 'Praise and glory and honor and dominion be unto Him that sitteth upon the Throne, and unto the Lamb, forever!'"

GRANDMOTHERS USED SAGE TEA

To Darken the Hair and Restore Gray and Faded Hair to Its Natural Color.

It is easier to preserve the color of the hair than to restore it, although it is possible to do both. Our grandmothers understood the secret. They made a "sage tea," and their dark, glossy hair long after middle life was due to this fact. Our mothers have gray hairs before they are fifty, but they are beginning to appreciate the wisdom of our grandmothers in using "sage tea" for their hair and are fast following suit.

The present generation has the advantage of the past in that it can get a ready-to-use preparation called Wyeth's Sage and Sulphur Hair Remedy. As a scalp tonic and color restorer this preparation is vastly superior to the ordinary "sage tea" made by our grandmothers.

The growth and beauty of the hair depends on a healthy condition of the scalp. Wyeth's Sage and Sulphur Hair Remedy quickly kills the dandruff germs which rob the hair of its life, color and lustre, makes the scalp clean and healthy, gives the hair strength, color and beauty, and makes it grow.

PEOPLES FORUM

This column is devoted to the expression of the opinion of our readers and in no wise denotes the paper's opinion on, or sympathy with, any question involved.

Hello Citizen:

Just noticed your short article in last Friday's Independent and think it is up to you to answer some questions

Who said "public sentiment" was buried two years ago? Not any one who was at the council meeting the night the ordinance was "spragged" and passed.

Ask anyone who signed the petition if they have changed their minds.

In its ordinance the company promised certain rates as the maximum. Where the management of this company has operated for the past ten years, at California, the rate is only $1 for residence and $1.50 for business now. At Charleroi, where expenses are higher, the present rate is $1.00, $1.50 and $2.00. Why could they not give the same rate here?

They might change the maximum sum if granted a permit. What if they did? Would not the public get the worth of their money? It would only be when they would have had a phenominal growth.

In regard to public service corporations increasing the rates. Note that in California the Independents have a practical monopoly, over 400 to 60 Bells.

Don't venture too far in regards to the number of subscribers that could be secured on a list similar to the previous one. We Know Better.

The Bell has not improved the service. The old system was better than what they have now. You know that. True they have spent good money.

No, they are not a charitable institution. They even limit the field to Monessen, if you want it, they make you pay for an out-of field call whether you get your party or not.

We are informed on authority that the Independent company will give us a $1.00 $1.50, and $2.00 rate. They will also give us a free field from Monongahela to California, and then some.

Don't have so many laborers, especially bosses, then you can pay wages.

Don't eliminate profits.

The Independent's should not fail. No one would suffer if they did.

Less than 2 per cent of the Independent companies organized in the past 14 years have failed.

Keep The Kidneys Well

Health is Worth Saving, and Some Monessen People Know How to Save it

Many Monessen people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill health, but there is no need to suffer nor to remain in danger. Use Doan's Kidney Pills—a remedy that has cured thousands of kidney sufferers.

The following statement leaves no ground for doubt.

Charles Conaghan, Market street, Belle Vernon, Pa., says: "My work required me to stoop over much of the time and I think this was the cause of my kidney trouble. My back was so stiff and sore that I could hardly get out of bed in the morning My limbs were also lame and I was annoyed by too frequent passages of the kidney secretions. Having heard of Doan's Kidney Pills I obtained a box and had taken but a few doses before I noticed improvement. In a few days the soreness had left my back and I felt better, in every way. I am only too glad to recommend Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster Milburn Co., Buffalo, New York, sole agents for the United States.

His Sign Said So.

One evening at 7 o'clock a man with a wife and 11 children, many of them grown up, appeared at the entrance to an entertainment hall, bought two tickets and demanded that the entire family should be admitted

The doorkeeper declined to admit the family with two tickets only.

"But all these are my children," said the man

"Of course," said the doorkeeper; "but some of them are too old to be admitted free."

"Too old? What's that to do with it? Don't it say on your bills that children under 12 are admitted free with parents?"

"Yes"

"Well, I've only got 11 children, and if 11 children aren't under 12 I'm beat"—Everybody's Weekly.
